Our facilities and services

Overview

Widnes Martial Arts has some of the best facilities in the UK; our custom built interior is spacious, safe, well equipped and provides a comfortable place to train, in any weather. The entire building both inside and out is monitored by 24 hour CCTV recording.

Toilets & Showers

Toilets are based in the main entrance hall opposite the waiting room, showers are available for private tuition clients only.

Sanitisation Stations

Hand sanitiser gel dispensers are located at all entrances. There are soap and water facilities in the toilets and in the waiting room and there is a foot cleanse station at the entrance to the Dojang.

Waiting room

The waiting room is equipped with tea & coffee facilities, ample comfortable seating and a TV showing activities in the Dojang via CCTV.

Please be considerate if you are making tea or coffee and wash your cups and the surrounding area after you are done.

Wi-Fi

There is free Wi-fi in around the building: Widnes Martial Arts - password: kuksoolwon

Gym

We have a fully equipped onsite gym room, this is available to any student or family member and is open whenever the building is open (see class schedule).

Gym membership is available for £10/month.

Private tuition

Private tuition is available with either Master Karl or JKN Derek; sessions can be booked to speed up the learning process, prepare for test/tournament or just for that extra boost in your training. These extra lessons can be booked anytime outside of our regular class schedule. Please speak to an instructor prior to booking or for more information.

Safeguarding our members and their families.

All external doors to the building are fitted with code locks to safeguard the children within the building and prevent unwanted access. A full colour CCTV system is operating in all areas, inside and outside the building, which monitors and records 24/7.

The code lock for student and parent access is located at the top of the main entrance, to the left of the door. The code for the door is:

1958

(1958 was the year that the World Kuk Sool Association was founded by the Grandmaster - Kuk Sa Nim)

It is essential that children or waiting room occupants DO NOT respond to the doorbell. We are unable to ensure their safety or the safety of other children if they open the door. If you are in the waiting room and the doorbell sounds, please inform one of the instructor team. It is imperative that we are made aware of all new visitors to the Dojang and that they are not left unattended.

If any of our students or their families ever suspect a problem with the safeguarding or welfare of one or more of our members, it should be brought to the attention of a senior instructor immediately. Safeguarding matters are taken extremely seriously and we will endeavour to act in the best interests of anyone involved. Information on our safeguarding team are in every room on the wall.

Car Parking

Our car park has a strict 5mph speed limit. Anyone found driving dangerously when arriving, leaving, or manoeuvring around the parking area will be immediately expelled from the school and your WKSA membership will be terminated. We have small children entering and leaving at all times and expect you to be vigilant and careful within the compound.

During daytime hours, parking is limited to the 5 spaces located directly beneath the waiting room windows and along the wall adjacent to the entrance gate. (Please speak to one of the instructor team if you are uncertain where these areas are).

During evening classes, we would ask that you are considerate to other businesses in the estate. Avoid blocking access to buildings, parking in their designated disabled spaces and please avoid any spaces marked for Aztec Coins which are beyond the Red line painted on the floor.

It is imperative that when leaving or entering the building you keep any small children close to you and do not allow them to run across the carpark alone.

Instructor team

We have full bios and lists of achievements for each instructor on the wall in the waiting room along with their current Black belt certificate of rank, please take some time to familiarise yourself with these. All instructors should only be addressed by their rank title. You can access more information about the instructors on our website or by scanning the QR code in the waiting room.

Your Uniform (Doh Bohk)

Your Doh-Bohk will comprise of jacket, pants and your white belt. Please make sure your uniform is always kept clean and any damage is repaired promptly. You will often be working in close proximity to other students so regular laundering is essential, along with good personal hygiene. A full uniform is required to begin every class, during hot days, we will allow the removal of jackets, so long as the student is wearing a Kuk Sool t-shirt

HOW TO TIE YOUR BELT

Uniform Badges

Badges are the perfect way to finish your uniform and allow you to really look part of the team, as well as being a requirement for tournament and testing. Our official WKSA Badge sets are all fabric and will last the duration of your time as a coloured belt.

We offer a full set of WKSA badges complete with professional machine fitting, conforming to the correct WKSA specifications on spacing and positioning. In the rare event that a badge comes off, we will repair it free of charge.

Full Set + Fitting Service: £55

Badges are also available to purchase without fitting. We strongly recommend that iron on adhesives are avoided as they will not last under Dojang conditions and will shorten the life of the badges.

Badge Set Only: £35

Please speak to one of the instructor team for further details or to purchase this offer.

Dojang - general code of conduct

Students

- Martial arts etiquette (“Yea Eue”) is our MOST important technique, and should be observed by all students and instructors at all times.
- Always bow (standing bow) when entering or leaving the Dojang, and say “KUK SOOL!”
- Only students are allowed in the Dojang.
- When on the floor PRACTICE — when not practicing, do not linger in the practice area.
- Never ask to be taught a new technique or form — diligent and consistent practise of current material is the way to learn new techniques.
- Always address instructors and seniors by their rank title, if you do not know this, use “Sir” or “Ma’am” — show respect to instructors and fellow students in training.
- No food or drink is allowed in the practice area — help us to keep our Dojang neat & clean.
- Make sure your uniform is clean and tidy. Shoes should never be worn in the practice area.
- Change into your uniform immediately on your arrival. Full uniform is required for bowing in and out of class. Kuk Sool Won uniform should consist of a jacket and pants, belt and KSW T-shirt. All shoes, socks & bags should be left in the storage spaces in the hallway.
- If you have a question for your instructor, never call them over to you, always go to them. When an instructor is demonstrating a form or technique, always stand in Attention Position and give them your full attention. Always thank them for instruction.
- If you need to leave the practice floor for any reason during class, always ask your instructor’s permission.
- Always show respect to those of higher rank (they have more experience) and lower rank (they should be encouraged).

Parents

1. Children are not allowed to return to the waiting room during class time.
2. Do not coach your child. This is the responsibility of the instructor.
3. Please take disruptive siblings out of the waiting room during class time out of respect for fellow spectators.
4. Always show proper respect to the school, to the students and to the instructors.

Etiquette

Understanding etiquette

In Kuk Sool Won we often refer to the term etiquette, but what exactly do we mean? Etiquette is the system of behaviour that governs everything we do, not just in the Dojang but throughout our daily lives; it is respect for those around you that goes beyond what is normally expected.

As a student of Kuk Sool, it is expected that you will be polite, considerate and helpful to our instructors, classmates and visitors to the Dojang. Your instructors also expect that you will behave in the same way when off the mats, adopting the same system of respect and good behaviour at home, in school/work or out and about in your daily lives.

How do we practise etiquette?

In Kuk Sool

1. By following the rules of the Dojang (listed on the entrance door).
2. Be polite and courteous to all students or visitors to the Dojang, always allow parents or senior rank members the right of way if they pass you in the hall.
3. Always greet your instructors with a "Hello sir/ma'am" and a bow.
4. Always be on time. If you are ever late, you should ask permission to join the class and explain your lateness.

At home

1. Always show respect to parents or family members.
2. Help out with jobs or chores round the house, even those you were not asked to do.
3. Always give 100% at school, in your studies or at work.

People outside Kuk Sool should note your manners and immediately know that you are a student of the martial arts, exuding discipline, self control and respect.

Respect and the rank system.

In Kuk Sool Won the order of rank is very important and should be shown the greatest level of respect. Each rank takes time, commitment and effort to achieve; some students at this school have studied and trained 4 times a week for over 15 years, and Instructors here for more than 20 years. With this in mind, the order of rank should always be considered.

- Always say "thank you" when helped by a senior rank. You must then practice what they helped you with until it is correct.
- When a senior rank is practicing near you during training, you must step aside and allow them the right of way.
- All visitors to the Dojang - both students and parents - should address a higher rank student or instructor by their rank title. If you have forgotten their title call them "Sir or Ma'am", you should then ask for their correct title.

Parents.

We ask that you support us in enforcing rules of etiquette in the Dojang. Respect in Kuk Sool Won will benefit students outside the Dojang and stay with them throughout their lives. Children will often follow the lead set by their parents and a simple "Hello, Sir" on entering will set a nice example.

Introduction to Kuk Sool Won

Kuk Sool Won™ is a systematic study of all traditional fighting arts, which together comprise the martial arts history of Korea. As a martial arts system, Kuk Sool Won™ is extremely well-organised and seeks to integrate and explore the entire spectrum of established Asian fighting arts and body conditioning techniques, as well as mental development and traditional weapons training. The following list includes some, but by no means all, of the elements of Kuk Sool Won™:

Hand Techniques

- Closed and open hand striking methods, including: palm, fist, wrist, finger, and specialised hand training techniques
- Pressure point striking
- Striking with arm and shoulder
- Blocking and parrying

Leg Techniques

- Fundamental kicks, including: front, inside, outside, & more
- Advanced kicks, including: jumping, spinning, combination and double leg
- Pressure point kicking
- Specialty kicking

Throwing & Grappling

- Throws include: body throws, projection throws, hip throws, leg throws
- Pressure point grappling
- Grappling defence
- Wrestling techniques
- Ground fighting

Joint Lock Techniques

- Restraining methods
- Joint breaking techniques
- Combination joint locking
- Control and redirection techniques
- Arresting and pain-compliance techniques

Falling & Acrobatics

- Body conditioning and agility techniques
- Body protection techniques
- Acrobatics for defence and offence

Body Conditioning

- Overall stretching and flexibility training
- Cardiovascular conditioning
- Muscle toning
- Ligament and tendon strengthening
- Joint flexibility and bone conditioning

Animal Style Techniques

- Techniques based on the movements and/or characteristics of certain “martial” animals such as:
 - Tiger
 - Praying Mantis
 - Crane
 - Dragon
 - Snake
 - Bear
 - Eagle

Traditional Korean Weapons

- Sword: short & long, single or double, straight or inverted
- Staff: short, middle & long, single or double
- Jointed Staff (flail): double or triple
- Spear
- Cane
- Rope
- Fan
- Bow & Arrow

Martial Art Healing Methods

- Acupressure
- Acupuncture
- Internal energy systems
- Herbal medicine

Meditation & Breathing

- Various breath control techniques
- Meditation and breathing postures
- Concentration techniques

Kuk Sool Won™ covers an extensive variety of martial art techniques but it is not only concerned with methods of attack and defence. Kuk Sool Won™ also includes the study of healing techniques and the development of internal power, in addition to the physical training. Mental development is of equal importance in Kuk Sool Won™ and helps to instil self-confidence and self-discipline, a calm self-assurance, and the psychological and spiritual values which are traditionally associated with the character of a martial artist.

Whilst Kuk Sool Won™, as it is practiced today, is relatively new, its roots stretch far and deep into the very beginnings of the Korean people. This early history and the ancient traditions upon which this art is founded should be considered as equally important to the physical techniques themselves, for it is only from the understanding and appreciation of these classical roots that one is able to grow as a student of the martial arts.

Testing and Syllabus

Kuk Sool Won has an extensive syllabus; in order to progress, a thorough and confident understanding of the relevant syllabus for each rank is required. However, to be considered for promotion students must also meet the school testing criteria as shown below. Copies of the official WKSA syllabus are located in the main entrance hallway opposite the trophy cabinet. Students should familiarise themselves with the syllabus so as to track their own progress.

Coloured Belt Testing

There are 13 ranks in Kuk Sool Won leading up to Black belt. School tests run 3 or 4 times a year and the list of testing candidates is published 2-3 weeks prior to the date of test. Information about test day and what will be expected of you is provided before test, if you are uncertain, make sure you speak to an instructor.

In order to qualify for your first test, you will need to meet the following criteria:

- Have attended a minimum of 9 months (around 65 lessons)
- Have rank appropriate knowledge of Korean terminology
- Be able to perform all hand strikes & kicks & breakfalls at the required level
- Understand and demonstrate proficiency in your Forms, Techniques and Weapons
- Be familiar with the Rules of the DoJang and the Kuk Sool Won creed (available online, in the student text book and on the wall opposite the display cabinet)
- Have attended at least 1 WKSA tournament
- Be fit/strong enough to test (Youth & Adult tests can be upward of 5 hours and can be held outside)
- Be prepared to push yourself past your normal limits
- Feel that you are ready for the next level of training and responsibility

To qualify for subsequent tests, in addition to the official Kuk Sool Won syllabus, various increasing levels of technical skill and proficiency will be required - your instructor will discuss this with you in class. Whilst you will have the opportunity to practice this on the mats, some of these skills will require additional training time outside of class hours.

- Test places are not guaranteed by progression through the syllabus, they are earned.
- Regardless of syllabus knowledge, students are required to show continuous improvement; we do not promote students who have made no progress since the last testing interval.
- Regular attendance at WKSA tournaments is required to be considered for testing.
- Regular conversations with your instructor will ensure that you understand what is required for the next level of test.

Tests are always held on Sunday to avoid disruption to the regular class schedule. Junior tests will be at the Dojang and are 2-3 hours. Adult tests can be held at any location chosen by the instructors, in the Dojang, or outside; these will normally be 4-6 hours.

Club Test fee is normally £30.

Black Belt Testing

There is a different syllabus for students of each age category in Kuk Sool Won - Junior, Youth and Adult, each specifying a different number of empty hand forms, weapons skills and self-defence techniques. There are six empty hand forms that students must be able to remember and demonstrate. A Black belt candidate student must remember and perform 186 different self-defence techniques from the syllabus.

Full knowledge of the complete, relevant syllabus is required to promote to Black Belt. In Kuk Sool we have 4 textbooks that contain the entire syllabus and the history & theory of the martial art; a black belt candidate must have textbooks 1 & 2 to begin the black belt process, Black belts who wish to begin testing to 2nd degree must have textbook 3. Textbook 1 is recommended reading for all students starting at white belt.

For a student to be considered for Black belt testing, they cannot be cross training in any other form of martial art.

Criteria for promotion

In order to promote to Black Belt a student must spend a minimum of 18 months at Dahn Bo Nim level, earning black tags at every school testing. Black Belt candidates must complete their first and final gradings at a national testing - these take place during tournament weekends, in front of the Grandmaster and with hundreds of students from other clubs around the UK. All Students must have attended tournament at least twice per year and have attended at least 2 seminars since their joining.

Under certain conditions we can allow students to promote after 12 months of DBN Testing but they need have met the following criteria, over and above the standard requirements:

- Regular class attendance (at least twice per week)
- Competed at 3 tournaments within the DBN testing year.

What does it cost?

At the first national test there is a one off fee to WKSA which varies depending on the rank you are testing for, you would then also be required to test at least 4 times incurring the normal school test fee.

Black belt is not the end of the journey, it is the beginning. Along with the new rank and status of Jyo Kyo Nim comes exciting new material such as sword and long staff forms, new techniques and the option of becoming a full time instructor at the school, judging at national and school tests and even becoming a tournament judge. Black belt also brings the opportunity to compete for Grand Champion at tournament, the ultimate prize for the skilled practitioner and dedicated student.

Tournaments

Kuk Sool Won of Widnes are a major team on the world tournament scene and one of the most successful WKSA schools in Kuk Sool history. As a school, we attend at least 3 tournaments each year and in most years, we manage 4.

We currently (correct as of summer 2024) hold the titles of:

Uk Championship winning team - 10 years consecutively

Scottish Championship winning team - 8 years consecutively

European Championship winning team - 5 times

Spanish Championship winning team 2017 & 2023

Correct at time of print - November 2024

Attendance at tournament is a crucial part of your journey in Kuk Sool and will determine whether you can test to the next rank. The level of focus needed to stand and compete against fellow practitioners is the same level of focus needed to attain the next rank; for this reason they must go hand in hand.

Tournament is a friendly, family orientated event where students of the same rank, age and experience compete together in up to 6 events in front of Black belt judges. Each event is optional but we always advise that students enter as many events as they have available and we will prepare them accordingly.

The events are as follows:

White belt - Red belt

Traditional forms - as taught in every class

Self defence techniques - 3 techniques will be chosen for the competitor and a falling partner assigned

Sparring - Little/No contact points sparring with no face shots or low kicks

Brown belt & DBN Levels have the addition of Staff Spinning

Black belts have the additional events of Sword form, Staff form and Board breaking

The 3 main domestic competitions are:

Scottish Championships - Last weekend in May

European Championships - First weekend in June

UK Championships - Last weekend in November

We also attend the Spanish, Benelux and World championship tournaments on a regular basis

Special tournament training classes begin around 6 weeks prior to each event and run every Saturday morning at the Dojang.

Please speak to one of the instructor team should you wish to know more about tournaments.

Leadership programme

Future instructor course

Our ethos at Widnes Martial Arts is, and always has been, to produce the highest standard of martial artist. We do not pump out Black belts in large numbers because we feel the Black belt should be earned through dedication and held in highest esteem. Black belt is the beginning of your journey and a solid foundation at coloured belt level will set you on the right course for a lifetime of learning and progression.

The highest standard of Black belt cannot be, without the highest levels of instruction...

Our instructor programme is open to any student from JKN level who wants to share their knowledge and experience with others. The student would need to commit to attending one extra class per week and to helping lower grade students develop. During these classes they would receive free instructor tuition and be taught how to take drill at the front of class.

Any interested student should be fully capable and confident in their skills and have a good understanding of the syllabus.

You do not truly know Kuk Sool until you can teach it; this programme and the experience gained from it will develop your understanding of the art, challenge your way of thinking and give a new sense of reward as you help to develop the next generation of students.

Instructor experience is optional at DBN levels but is an essential part of JKN training and without regular instructor time, progression to KSN will not be allowed.

Black belts in the instructor programme will also gain access to additional Black belt training sessions and instructor training, these extra sessions are provided free of charge.

Community activities, Social events, Fundraising & Social media

Public Demonstration team

Every year we take a display team to perform at public events. These range from large stadium events in front of thousands to smaller community fund raisers, fun days and school fairs. We invite interested students of all ages and ranks to become part of our display team and post upcoming performances in the weeks leading up to the event. Speak to one of the instructor team if you would like to become part of our display team.

Social events

We often hold several social events throughout the year, these include: garden parties, baking competitions, fun days, our famous Christmas party, free taster session days and even camping trips and excursions. All members are welcome to join in with our activities, here you will meet new friends, laugh, enjoy new experiences and truly become part of the Widnes Martial Arts family.

Fundraising & Charity work

Master Karl is the Patron of a local charity: The Halton Cancer Centre, so we regularly run charity events raising money or giving our time for their cause.

Korean Terminology

This section provides the Korean (Hangeul) terminology used in class. It's recommended that you/your child become familiar with the terms for the commonly used hand-strikes, kicks and directional movements.

Knowledge of basic terminology is required not only for test but to give a better understanding of your instructor during lessons.

When learning Kuk Sool Won, you not only learn the Martial art but also about traditional healing techniques, Korean culture, Korean history and even traditional Korean cooking, music and clothing.
